

## Online Auction, Matching Donation Campaign and - *New* - Calgary Tower Climb!

### *MCA Fall Auction 2023*

After much deliberation and discussion, the Fiesta steering committee has determined the next Fiesta Dinner will occur in Fall 2024. Even though we are not hosting a dinner event this fall, we will once again be offering an online auction. We are currently busy gathering auction items and would love to have you donate items for this online event! We also invite you to participate in the auction and bid on auction items. The timing is absolutely perfect for Christmas gifts! And best of all, your purchases bring in funds for our children and youth with special needs. We will be running ***Making a Difference 3*** online auction using the same Hibid bidding system as our two previous online auctions. **Save the dates December 1 to December 9** for bidding on wonderful items. For further information on the auction or to provide auction items please contact Tanis at [thereuters@shaw.ca](mailto:thereuters@shaw.ca) as soon as possible.

**December 1st to  
December 9th**

**Preview and Register here** - <https://hibid.ca/events/making-a-difference-3>

### *MCA Matching Donation Campaign 2023*

Our Matching Donation Campaign is our biggest fundraiser of the year. We rely on this main event to provide a significant contribution to our annual funding requirements. We are extremely excited to tell you we have anonymous donors who are prepared to donate \$50,000 if we can get it matched. We need your help to meet our total seed funding and secure \$100,000 + Canadian dollars! Our **matching campaign runs November 21 to December 11/2023**. You will be provided with a **Canadian tax deductible receipt for your donation**. For more information please contact Barb at [info@mcangels.org](mailto:info@mcangels.org)

**November 21 to  
December 11**

## Race Roster - Climb for the kids at Casa Connor

November 18

Check in 8:30 am

## MCA Climb for the Kids

For our first ever Climb event, our goal is to have more than 100 people climb the 802 stairs of the Calgary Tower in support of MCA who, in turn, will use the funds to support the special needs children and youth who attend at Casa Connor in Mexico. Please consider participating by either doing the climb yourself and/or sponsoring a climber! All proceeds to MCA directly supporting the kids who attend at Casa Connor! Thanks to our sponsors, all expenses have been covered: Ruth's Chris Steak House, Valley Commons Winery, TROP Bar & Grill, Costco, Strides Running Store, Custom Laser Works and Connor Vanderveen's Family! Join us Nov 18 and get more information at Race Roster where you can register, or support a climber. <https://raceroster.com/events/2023/77545/climb-for-the-kids-at-casa-connor> SPECIAL CODE - \$10 off your registration - limited number of codes available. Find the code on the [MCA event page](#) then head to the above Race Roster page and register! Registration closes Nov 12.

*You make a difference helping 130 families. Thank you from the children!*
